Finance (Expenditure).

Quarters for the Assistant Superintendent of Police, Hospet. Amount of estimate = Rs.16,000.

The annual assessed rent for an official residence provided for a member of the All-India services should not exceed 6% of the capital cost, including charges for establishment, tools and plant at 15% of the 'works outlay' but excluding cost of land. With reference to this, the permissible outlay in the present case works out to Rs.14,720. Any outlay in excess of this amount will be ~~xx~~ unremunerative.

2. The amount of estimate (underlined) in the present case is Rs.16,000. Excluding Rs.1,315, the cost of land provided for in the estimate, and including establishment, tools and plant charges the total cost will come to Rs.16,888 or Rs.2,168 in excess of the permissible outlay.

3. The designs for the main building and outhouses proposed in the present case are almost the same as those proposed for the quarters for the Asst. Supdt. of Police, Malappuram recently accepted in this department. With a view to keep down the cost, the C.E. suggested certain economies in the case of the quarters of the Asst. Supdt. of Police, Malappuram such as building the kitchen attached to the pantry and not as a detached block and the substitution of a garage for coachhouse and stables. Allowing for the economies suggested by the C.E., the cost of the proposed A.S.P.'s quarters at Malappuram (including establishment etc. charges) comes to Rs.15,439.

4. Submitted that ~~xx~~ the economies suggested by the C.E. in the case of the quarters for A.S.P. Malappuram may be carried out in the present case also (quarters for the A.S.P. Hospet).

The estimate may, otherwise, be accepted.

5. Funds. It is proposed to bring this proposal as a Part II Scheme for 1928-29. Submitted that this Department may agree.
